4.1 Local Community Outreach

Jump to question: [4.1](#) ▼

In what local community outreach or educational activities has your station been involved this year that supports unserved or underserved audiences? Please describe in detail: outcomes, audience served, community response.

TV8 coordinates with more than 1,000 schools across 42 counties for the largest spelling bee in the country. The effort starts at the beginning of the school year and concludes with a live broadcast of the top 55 spellers from the diverse region. For 22 years, HPM has presented a writing contest for children in the hugely diverse Houston region. HPM also conducted hundreds of station tours, the majority of them dedicated to different children's groups including Boy Scouts and Girl Scouts. HPM hosted a series of town hall discussions and documentary screenings with community partners and experts on the Houston Latino community, Vietnam and teacher Story Slam.

4.2 Production Activity

Jump to question: [4.2](#) ▼

In what production activity has you station been involved that supports unserved or underserved audiences?

TV 8 works in close partnership with sister stations News 88.7 and our digital properties to cover important educational stories across all platforms. TV 8 produces local programs that serve all Houstonians. In fiscal year 2017, Red White and Blue covered the presidential election. HPM also has a digital initiative called Party Politics that expanded political topics covered to serve the greater Houston Community. HPM

hosted a series of town hall discussions and documentary screenings with community partners and experts on Latino diversity, the Houston Vietnam Community and Title 1 (At Risk) Students and Educators. HPM also airs children's programming 24x7x365 on the 8.3 digital sub channel.

4.4 Governance Structure

Jump to question: 4.4 ▼

Please describe your station's governance structure. Please include information about your station's Board of Directors, Advisory Boards or Panels, Community Boards or Panels, and the Committee Structure under each of these entities.

Your response should include but is not limited to:

What are the direct and indirect reporting relationships?

What committees are active and what is their function?

Does your Board have an Audit and Finance Committee?

What are the roles and responsibilities of these Boards, Panels and/or Committees? Etc.

The University of Houston Board of Regents is the governing body of the University of Houston System as authorized by the Texas Legislature according to Section 111.11 of the Texas Education Code. The Board of Regents is the licensee. The Board has fiduciary responsibility for the station as well as the University. The station reports to the board via upper administration of the University (Asst. Vice Chancellor/Vice President for Outreach & University Planning). The BOR consists of the Executive Committee and three standing committees...Academic and Student Affairs, University Advancement and Administration and Finance. The Administration and Finance reviews the station's annual audit and also approves the station's annual budget.

4.5 Community Outreach

Jump to question: 4.5 ▼

CPB is interested in learning more about stations' significant activities planned for the upcoming year - both broadcast and beyond broadcast. What types of on-air programs and off-air activities are you planning in the upcoming year that will connect your station more closely with your community? What goals are you setting in conjunction with these initiatives, and how will you measure your success?

The Houston Public Media Spelling Bee will welcome 50 students and their families to the station for a 2-part broadcast /community event . Through the eyes of young, black students, witness an extraordinary history of higher learning. In the multi-platform initiative, "Legacies," Houston Public Media explores the origins of two historically black universities: Prairie View A&M and Texas Southern University. The project includes an intimate television special featuring today's young minds and the generations that helped pave their way, a series of radio in-depths on the show "Houston Matters" and a live stream star-studded panel discussion with the director of "Tell Them We Are Rising: The Story of Black Colleges And Universities." We'll reboot Arts Insight, a popular arts & culture series with a new look and fresh, modern graphics. The show will remain a weekly series that highlights 2, local arts stories each week and mixes these with some of the best art stories from around the country. Ernie Manouse will host the show but Tomeka Weatherspoon will have a visible presence in the program. In the intimate video series, "Stories That Shape Us," famous Houstonians reveal the books, characters and words that changed their lives. These are short features, captured in personal or comfortable settings – just an exceptional person and their favorite story in hand. We take a look back at the storm, its aftermath and the city's response. The world watched as thousands of people lost their homes and property. We will evaluate questions including: "How has the city changed?"; "What lessons were learned?"; and "Where did the relief money go?".With the help from the news department, and in conjunction with the hurricane podcast series, HPM will oversee the production of a series of stories addressing those questions. Houston is a melting pot of international flavors. In a half-hour television special, a local foodie enters the kitchens of families from India, Vietnam and Mexico, getting a taste of some of the cuisine that helped re-define Houston. We will continue with a revamped Houston Public Media Spelling Bee and Writers' Contest
